BOOK TRAILER RELEASE FOR BEYOND ENKRIPTION

A Book Trailer for Beyond Enkryption was created as a gift for [Bill Fairclough](#) on 31 July 2020 by [David Alexander Cardamone](#) ^[1] and may be accessed on YouTube via <https://bit.ly/TBFL-Video>.

History

Beyond Enkryption, published in 2014, is the first autobiographical novel in The Burlington Files espionage series. It was written by [Bill Fairclough](#), a maverick intelligence agent or spook, who created Faire Sans Dire in 1978. [David Cardamone](#) ([Cardomani](#)), who is considered to be a connoisseur or aficionado in the intelligence world, had been beguiled by Beyond Enkryption, the first spy novel in The Burlington Files series.

Features

The most striking feature of this production is that [David Cardamone](#) was born deaf but his disability proved not to be an obstacle as evidenced by the video he created in which the music he selected blends seamlessly with the text and images in the book trailer.
